Prices surcharges

1. Quality of Information Provided

To ensure that you and your consignees benefit from a quality home delivery, you must provide Colissimo with all the necessary useful and accurate information for a successful delivery.

The information sent in notifications and printed on shipping labels are therefore essential for the delivery of your parcels. Any incorrect or missing information will directly impact the delivery service we provide, and the information provided to the consignee.

As such, a notice quality surcharge may be applied should the information provided not be compliant:

Surcharge	Definition	Ex VAT prices per parcel
No EDI received before midnight on day of shipment*	EDI not received or received after midnight on day of collection	0.42 €
Address not provided	No address	0.42 €
Postcode/City problem	Postcode and City/Town not matching	2.80 €
No e-mail/telephone number	No e-mail or telephone number (e-mail or telephone number must be provided)	0.42 €

NB: You can monitor and optimise the quality of the information provided via your ColiView tool in the Colissimo Box on:

www.laposte.fr/colissimo-entreprise**.

The correct use of the labelling solutions provided by Colissimo will also optimise the quality of your addresses.

*This surcharge does not apply to online I-NET customers or customers using the ColiShip online franking system.

** Free consultation, excluding connection and communication costs of the chosen operator.

2. Standard Surcharges

		Ex VAT prices per parcel
Non-machineable parcels	Any parcel that does not comply with one of the standard parcel specifications set out in our terms and conditions of sale requires special handling.	6.50 €
Unacceptable parcels	As a matter of course, unacceptable parcels must not be dropped off at La Poste. For all delivery methods, shipments that do not comply with the conditions for machineable or non-machineable parcels, as set out in the terms and conditions, will not be accepted into the postal network. Parcels will be considered unacceptable for the following reasons: weight, wrapping, size, packaging	65.00 €
		Mode de calcul
Fuel Surcharge (FS)	The Fuel Surcharge is a surcharge linked to fuel prices. Depending on the routing method used to ship the parcel, the customer will be charged a fuel price adjustment for routing by road or plane. This coefficient is applied to the billed amount excl. VAT, after discount (optional services, pricing surcharges, miscellaneous costs, duties and taxes excluded) as a percentage which changes every month. The FS is available on https://www.colissimo.entreprise.laposte.fr	Percentage variable on a monthly basis
Volumetric weight	The volumetric weight is applied to parcels to be shipped internationally (list of applicable countries on https://www.colissimo.entreprise.laposte.fr) and to French Overseas Territories by air. La Poste will apply the price for volumetric weight if the latter is greater than the dead weight of the parcel.	LxWxH (in cm)/ 5000
Compensation in relation to changes in the minimum wage (SMIC)	In the event of a change in the minimum wage (SMIC), La Poste applies compensation calculated on the basis of the change in the net hourly minimum wage published monthly on the INSEE website Minimum wage INSEE (lien hypertexte renvoie sur : https://www.insee.fr/fr/statistiques/1375188#figure1_radio1) The compensation is applied to the amount of the invoice before VAT, after any discount (optional services, surcharges, miscellaneous expenses, duties and taxes excluded) calculated as a variable percentage per month. The compensation grid relating to changes in the minimum wage is available on the website https://www.colissimo.entreprise.laposte.fr	Percentage variable on a monthly basis
SDR to Euro exchange rate hedging	Delivery costs in the country of destination are paid to foreign postal operators in SDR. This hedging system, linked to the change of the SDR to Euro exchange rate, is applied as a percentage each month to the amount of postage costs, excluding options and after delivery of international parcels to the countries concerned. The SDR to Euro exchange rate hedging grid and the list of countries concerned can be consulted at https://www.colissimo.entreprise.laposte.fr	Percentage variable on a monthly basis
Security of international parcels	Within the framework of compliance with international regulations on embargoes and international economic and financial sanctions aimed at combating, among other things, terrorism, fraud, money laundering, arms and drugs trafficking, La Poste is required to carry out checks on its international shipments in order to detect parcels that should be blocked.	0,10 €
